

Create and Donate 2017

Mosaic Works and the Manenberg Mosaic Project through the “Create and Donate” initiative work with leading brands to sponsor mosaic artwork for companies, community schools, hospitals and charities.

We have our onsite team building workshops where your staff members can create and donate a mosaic artwork of your choice or through our upliftment initiative, brands can sponsor scholars or the Manenberg Mosaic Project to create mosaic works of your company logo or required design.

Contact Jacqui Charles to discuss your requirements : 082 552 5551
